### ***Contact Information***

Federal Student Aid apologizes for any inconvenience these outages may cause. If you have any questions about the COD System, the Direct Loan Electronic MPN Web site, or the TEACH Grant ATS Web site, contact the COD School Relations Center. If you have any questions about the SAIG, contact CPS/SAIG Technical Support at 800/330-5947 or by e-mail at [CPSSAIG@ed.gov](mailto:CPSSAIG@ed.gov).

### **Incorrect “As Of” Date on COD School Monitoring E-Mails (02/20/09)**

The Common Origination and Disbursement (COD) School Relations Center proactively monitors the processing and reporting of disbursements for the Grant and Direct Loan programs and notifies schools of the results through e-mail. In a previous COD Processing Update, Federal Student Aid informed schools about the revised text and format of the COD School Monitoring e-mail. The e-mail was first used beginning the week of Monday, February 2, 2009.

Federal Student Aid has learned that all e-mails sent since Monday, February 2, 2009 reflected an incorrect “as of” date for the data contained within the e-mail. The e-mails reflected an “as of” date of December 30, 2008, even though the remainder of the data was more current and correct.

The COD School Relations Center corrected the error on Thursday, February 19, 2009. All COD School Monitoring e-mails from February 19, 2009 and forward will reflect the correct “as of” date for the data contained in the e-mail. We apologize for any inconvenience this may have caused schools. If you have any questions about the COD School Monitoring e-mails, contact the COD School Relations Center.

### Weekly Reminders

**NEW!**

#### **COD Computer-Based Training (02/20/09)**

Federal Student Aid takes this opportunity to remind the community of the availability of the COD Computer-Based Training (CBT). The COD CBT includes enhancements that have been made to the COD System, the [COD Web site](#), and associated Web sites and software products through June 28, 2008.

The COD CBT consists of component simulations and CBTs. Each COD CBT component is explained below. The electronic files associated with each component, as well as information about downloading and navigating the COD CBT, are available on the Information for Financial Aid Professionals (IFAP) Web site. Under the “Tools for Schools” box on the home page, click on [COD Computer-Based Training](#).

The components of the COD CBT are as follows:

***COD System Simulations*** – The COD System Simulations offer lessons that explain the [COD Web site](#) screens and functionality available to a school administrator. There are 14 lessons (one with two parts) with text to guide a user through each area of the [COD Web site](#). By entering fictitious data, the user can explore basic navigation and functions of the [COD Web site](#) and practice locating and creating information in a safe environment that includes tips for assistance.

***Direct Loan Reports CBT*** – The Direct Loan Reports CBT includes three lessons that explain the COD reports a school can use to assist with the reconciliation process for William D. Ford Federal Direct Loan (Direct Loan) awards.

***Grant Reports CBT*** – The Grant Reports CBT includes three lessons that explain the COD reports a school can use to assist with the reconciliation process for Federal Pell Grant (Pell Grant), Academic Competitiveness Grant (ACG), and National Science and Mathematics Access to Retain Talent Grant (National SMART Grant) awards.

***Direct Loan (DL) Tools Simulation*** – The DL Tools Simulation demonstrates how to use the DL Tools software to assist with the reconciliation process for Direct Loan awards. Although the simulation can be used both by schools that use the EDEExpress for Windows software and schools that do not use this software, the simulation is especially useful for schools that do not use the EDEExpress software on a regular basis but are interested in a Direct Loan reconciliation resource.

***eMPN Online Simulations*** – The eMPN Online Simulations offer a step-by-step walk through of the process for completing a Direct Loan Master Promissory Note (MPN) via the [Direct Loan Electronic MPN Web site](#). There are four lessons with text to guide a user through student, parent, and school administrator aspects of the eMPN process.

***Completing an Agreement to Serve (ATS) Website Simulation*** – The Completing an ATS Website Simulation provides a step-by-step walk through of the process for completing a Teacher Education Assistance for College and Higher Education (TEACH) Grant ATS via the [TEACH Grant ATS Web site](#).

If you have questions or comments about the COD CBT, contact the COD School Relations Center. If you e-mail your question or comment to [CODSupport@acs-inc.com](mailto:CODSupport@acs-inc.com), please include "COD CBT Question/Comment" in the subject line.

### **TEACH Grant – Institutional Participation Request Process Information (02/20/09)**

On June 3, 2008, the Department of Education posted [Dear Colleague Letter GEN-08-07 on the Information for Financial Aid Professionals \(IFAP\) Web site](#). This Dear Colleague Letter clarifies how an institution will establish eligibility to participate in the TEACH Grant Program.

For complete information about the Institutional Participation Request Process, refer to [Dear Colleague Letter GEN-08-07](#).

- Questions about the issues discussed in the letter should be directed to Gail McLarnon by e-mail at [gail.mclarnon@ed.gov](mailto:gail.mclarnon@ed.gov) or by phone at 202/219-7048.

- Questions about the participation request process should be directed to the School Participation Team for a school's state. Contact information is available on the [Electronic Application for Approval to Participate in Federal Student Financial Aid Programs \(E-App\) Web site](#).

***Participation Request Process Steps*** – As outlined in the 10-step participation request process included in [Dear Colleague Letter GEN-08-07](#), a school must complete Question 1, enter specified language in Section K/Question 69, and complete Section L via the [E-App Web site](#). After completing these steps, the school must mail its signed and dated signature page to the Department of Education (the Department) per the instructions provided on the “Submit Application” page. To aid in expediting receipt of the school's signature page by the Department, the school may want to use an overnight delivery method.

***Participation Request Process Follow Up*** – If a school does not receive a response regarding its request to participate in the TEACH Grant Program within two weeks of submitting the request, the school should contact the School Participation Team for the school's state. Contact information is available on the [E-App Web site](#).

***School Addition to ATS Web Site*** – Once a school is determined to be eligible to participate in the TEACH Grant Program, the school's name will be added to the TEACH Grant Agreement to Serve (ATS) Web site. As a general rule, Federal Student Aid will update the TEACH Grant ATS Web site on the Tuesday or Thursday most closely following notification of the school's eligibility. If a school has questions about the TEACH Grant ATS Web site, it should contact the COD School Relations Center.
